DETAILED ACTION

This is in response to communication filed on 12/19/05 in which claims 1-10 are pending. The applicant's amendments have been fully considered therefore this case is in condition for allowance.

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: The prior arts of record fail to anticipate or render obvious the following recited features: A plurality of phase/frequency shifters receiving a signal from said first matched filter and a second plurality of second matched filters receiving data from said plurality of phase/ frequency shifters as recited in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
